

CRAYLER CR 253

PALFINGER CRAYLER

VERSATILITY IS ITS STRENGTH

The CRAYLER 233 from PALFINGER impresses with its robustness and flexibility in deployment. It can be mounted on almost all trucks or trailers and – on arrival at the duty location – is ready for operation in less than a minute.

Thanks to the CR 233's all-wheel drive, goods can be safely and efficiently transported even on difficult terrain.

FLEXIBLE AND STRONG ON PERFORMANCE

Steering

- excellent manoeuvrability through 180° steering angle gives fast and efficient working even in the tightest space
- simple mechanism design results in little wear, low maintenance costs

PALFINGER Service

- Quality replacement parts distribution
